

Special General Meeting, 2005 March 30
held at The Geological Society, Burlington House, Piccadilly, London W1

Tom Boles, President

Ron Johnson, Nick Hewitt and Nick James, Secretaries

The President opened the Special General Meeting of the 115th Session, inviting Dr Hewitt to read the minutes of the previous year's meeting, which met the approval of members. Mr David Tucker, Treasurer, was then invited to comment on the Association's finances.

It was reported that Council had proposed an increase of two pounds in the standard subscription rate for the 116th session, accompanied by a pro-rata increase in the reduced rates. Mr Tucker invited questions concerning this, but, there being none, proposed its adoption. The motion was seconded and passed by members.

Mr Boles adjourned the meeting until 2006 March, and the fifth Ordinary Meeting of the Session followed.

Dominic Ford
